Help to Buy for Armed Forces

We are very proud to be able to support our service personnel by offering the Government-backed Armed Forces Help to Buy scheme.

To be used alongside the regular Help to Buy equity loan, this scheme enables service personnel to **borrow up to 50% of their annual salary**, to a maximum of £25,000. This can be used towards a deposit and other costs such as a solicitor's and an estate agent's fee.

You are eligible for this scheme if you...

- Have completed the pre-requisite length of service.
- Have more than 6 months left to serve at the time you apply.
- Meet the necessary medical criteria.

It is recognised that there may be instances where exceptions to the standard rules may be justifiable, especially where there are extenuating medical and personal circumstances.

By using Help to Buy, purchasing a beautiful new Kebbell home has never been more affordable.
